Hi Jose,

Your Webex interview for the Data Analyst position with NYSTEC on **Monday, May 9th at 11:30AM** has been confirmed. The invite with the WebEx link was sent in a separate email.

The hiring team has asked that you present on the attached exercise. Once you have completed your presentation, please forward to me so that I can share with the team.

Please feel free to reach out to me with any questions!

Sarah
